

APS/NAPS pension: Pension build-up rate reminder

All members of the APS or NAPS pension schemes have an annual opportunity to increase or change the rate that their APS/NAPS pension builds up. If you are Ground Staff and you'd like to take up this option your written instructions need to be received at BA Pensions by 30 September 2006 at the latest.

Details of the option can be found on this website: click on: 'How do I get more?' > 'Put more into my BA pension'. For the form: click on 'Forms' > 'Change Pension Build-up (Ground Staff) form'.

You can also access these details via the BA Intranet: click on 'BA & Me' > then under *Online services*: click on 'My pension', then 'my aps/naps pension'. For the form: again under *Online Services*: click on 'eforms' > 'Pensions' > Flexible Pension Build-up (Ground Staff) - form'

Flight Crew and Air Cabin Crew also have an annual opportunity to change their pension build-up rate: the deadline for Flight Crew is 31 March each year and for Air Cabin Crew the deadline is 31 January.

If you are looking for other ways of boosting your APS/NAPS, you can also pay Additional Voluntary Contributions (AVCs). More information and forms for AVCs can be found by clicking on 'Forms' > 'AVC information and enquiry form' or 'Start or change AVCs form'.
