Welcome

Welcome to the new look In Focus newsletter for 2017 in which we look back on another very busy year which saw the end of 'contracting out' for pension schemes and a move to a Corporate Trustee structure. We've also included in this edition; managing your pension information online, State Pension changes, pension increases along with useful information around protecting yourself from scams and lots more.

New look – we're reviewing our communications

You'll notice that this edition of In Focus looks different to previous versions. This year we've produced a version for pensioner members and one for active and deferred members so that we only provide you with the information you need. There'll be further changes to future editions as we aim to ensure we're communicating in the best, most effective and efficient way to members.

Around 50% of APS members view In Focus online and are able to access it at any time. This year we've launched a new interactive online In Focus, which allows you to hover over certain parts of the newsletter and drill down for more information if you want this. You can access websites and links direct from the newsletter and watch a video of one of our Trustee Directors discussing the impact of State Pension changes. We're also able to run surveys and ask you questions which is something we'll be introducing in next year's edition.

You can take a look at this year's more interactive In Focus by going to the 'News' page of our website (www.mybapension.com/aps).

Get communications quicker by switching to receive online communications – registering is easy!

If you have a computer/tablet with access to the internet and an email address, it's really easy to register to receive communications online – just go to the 'Register' button at the top of our website (www.mybapension.com/aps).

We'll then keep in touch by email sending you updates and links to communications you should be aware of.

We hope you find the information in this newsletter useful and encourage you to tell us about any items you'd like featured in future editions. Send us your feedback/comments to enquiries@bapensions.co.uk

What does contracting out mean?

Prior to April 2016, most active members were contracted out of the State Second Pension (S2P), formerly the State Earnings Related Pension (SERPS), meaning you paid lower National Insurance (NI) contributions and didn't build up benefits in the S2P. Instead, the Scheme agreed to pay a pension that was at least as much as the S2P. With effect from 6 April 2016, the Government replaced old State Pension arrangements with a new flat-rate State Pension for those reaching State Pension Age (SPA) after 5 April 2016. Pension schemes can no longer contract out and as a result employees and employers NI payments increased.

Pension increase update

Update on Court Case

Each year, we increase members' pensions in line with the Government's measure of inflation. In 2010, the Government changed this measure from the Retail Prices Index to the Consumer Prices Index (CPI). This is generally expected to mean lower increases for members. In 2011, the Trustee decided to introduce a new power that would allow us each year to consider a further, discretionary increase. BA brought a legal claim against the use of that power and as you will know from previous updates available on the 'News' page of our website (www.mybapension.com/aps), a trial started in October 2016.

The trial ended on 9 December 2016 and the outcome of the case is not expected to be known for around another two months. Following the trial, the Trustee remains of the view that it acted appropriately and within the rules of the Scheme at all times. BA challenged both the Trustee's decision to introduce a discretionary increase power in 2011 and the decision to award a discretionary increase in 2013. The judgment could uphold both, the first or none of these decisions. As a result, a number of potential outcomes to the trial are possible.

Once the judgment is published, we will communicate the outcome and its implications to you. There will be further developments to report if there is an appeal.

As you would expect, the Trustee has been preparing for the range of potential outcomes, including the complex administration processes required if any payment of discretionary increases can be made. The timescales of any action will be driven by the nature of the judgment.

Scheme pension increases

Most pensions within APS increase each year, as described in the Scheme Rules. The above mentioned court case will have no impact on standard increases, which will continue to be paid. The increases are set out in the Government's yearly Pensions Increase (Review) Orders which broadly reflect the increase in the CPI. The standard increase amount for this year won't be confirmed until Orders are published in late March 2017 but we expect it to be around 1%. We will provide pensioners with a pension increase statement as usual by the end of April 2017 to confirm the new pension amount that will apply from 10 April 2017, along with a P60 certificate for the year to 5 April 2017.

Who manages APS?

Move to a Corporate Trustee structure

APS is now managed by a Corporate Trustee, Airways Pension Scheme Trustee Limited. This change brings APS in line with best practice of other large pension schemes. The individual Trustees are now Trustee Directors of the Corporate Trustee and remain responsible for managing the Scheme through the Corporate Trustee. You can read more about this on the 'News' page of our website.

The Trustee Directors

APS is managed by twelve Trustee Directors. Six Trustee Directors are elected by the active and pensioner members of APS (as Member Nominated Directors) and six are appointed by BA (as Employer Nominated Directors).

The current Trustee Directors are:

Employer Nominated Directors

Virginia Holmes – Chair, Independent Trustee
Andrew Fleming – Head of Legal and BA Company Secretary, BA
Bill Francis – Head of Group IT, IAG Group
Ian Howick – Director of Heathrow, BA
Charlie Maunder – Head of Flight Operations, BA
Jude Winstanley – Head of Network, Alliances and Compliance, IAG Cargo

Member Nominated Directors

Frances Axford – Pensioners
Paul Douglas – Pensioners
Ian Heath – Pensioners
Phil Hogg – Pensioners
Stephen Mallett – Pensioners
Tom Mitchell – Actives/Pensioners

Register a surviving dependant

Did you know?

If you have paid higher contributions to the Scheme to build up an Adult Survivor's pension, but you are not married or in a civil partnership when you die, the Trustee can decide to pay the Adult Survivor's pension to a 'surviving dependant'. Broadly speaking, a surviving dependant is someone who is financially dependent on you at the time of your death. You can find out more about eligibility for dependant's pensions and register a surviving dependant on the 'Scheme information' page of our website (www.mybapension.com/aps).

Changes to GMP increases

We mentioned in the last edition of In Focus that the Government has changed the way it pays increases on Guaranteed Minimum Pensions (GMP).

If you were a member of APS at any time between 6 April 1978 and 5 April 1997 (except married women or widows who paid a special reduced rate of NI contributions), you will have a GMP. Your GMP is the minimum amount of pension we must pay you from GMP Age (60 for women, 65 for men), or set aside and increase if you choose to draw your APS pension later than this. The GMP is paid as part of your total APS pension, rather than being paid on top.

So, what has changed?

The old State Pension arrangements were replaced with the New State Pension (NSP) from 6 April 2016 for anyone who reaches State Pension Age (SPA) after this date. If you reach your SPA on or after 6 April 2016 the Government will no longer pay increases to an amount equivalent to any GMP which built up before 5 April 1988 and any increase due above 3% on GMP built up after 5 April 1988. It used to pay these increases as part of your State Pension. Instead, it will now currently pay 'triple lock' increases to your NSP at the higher of the increase in average earnings, CPI or 2.5%.

Members who reached their SPA before 6 April 2016 are unaffected.

Your GMP is paid as part of your APS pension and the Scheme will continue to increase GMPs in the way it always has.

The Scheme must increase any GMP in payment until you reach your GMP Age. After this, the Scheme will increase your GMP built up between 6 April 1988 and 5 April 1997 by the lower of the rate stated in the Government's GMP increase orders (currently CPI) each year, or 3%.

Go to the 'Videos' page of our website (www.mybapension.com/aps) to hear Ian Heath, BA pensioner and Trustee Director, explain how this change impacts him.

The Department for Work and Pensions maintains that most individuals will be better off under the new arrangements as they will be entitled to the higher of the NSP or old State Pension arrangements at 6 April 2016. Individuals will then be able to build further NSP after 6 April 2016 if they are eligible to pay National Insurance contributions or secure NI credits.

Your SPA

Your SPA is the earliest age you can start receiving your State Pension and is set by the Government based on your gender and date of birth.

Scheme funding valuation

Agreeing the Scheme's 2015 valuation

A detailed financial health check of the Scheme, known as a valuation, is carried out every three years by the Scheme's Actuary. The outcome of the 31 March 2015 valuation has been delayed due to the legal proceedings in relation to discretionary pension increases. We expect to know the outcome of these proceedings over the coming months and hope to be able to then move forward with the valuation.

Money going in and out of the Scheme

The Scheme's annual report and financial statements for the financial year to 31 March 2016 were approved in September 2016 and showed that at 31 March 2016, the assets of APS were just under £7.0 billion.

The annual report and financial statements show the financial position of the Scheme on a particular day and are different to a valuation which looks at the longer-term position of whether the Scheme is likely to be able to pay the benefits that are due to be paid.

The following table is taken from the annual report and financial statements and summarises the financial position of the Scheme as at 31 March 2016, including:

- income (member and employer contributions, and investment income);
- expenditure (outgoings such as payment of pensioner and dependant benefits); and
- the change in the market value of the Scheme's investments during the period.

	Million
Value as at 31 March 2015	£7,509.2
+ Income	£184.4
- Outgoings	(£395.2)
- Change in market value of investments	(£304.0)
Value as at 31 March 2016	£6,994.4

The Scheme Auditor, KPMG, gave its opinion that the Scheme's report and financial statements provide a true and fair view of the financial transactions of, and the investments held by, the Scheme.

Scheme's investments

British Airways Pension Investment Management Limited (BAPIML) manages the day to day investment decisions for APS on behalf of the Trustee. The Scheme's Statement of Investment Principles is available on the 'Scheme documents' page of our website (www.mybapension.com/aps).

Investment update

The Fund's investment returns are measured against a strategic benchmark. The APS Trustee has set a target for the Fund's investment managers to beat the investment returns of the benchmark by 0.3% over a five-year rolling period. Over the year to 31 March 2016, returns on the APS investments that are measured against the benchmark, including stocks, equities (shares) and bonds (gilts) were positive.

The actual investment returns over ten years were better than the target benchmark but returns over one, three and five years were below the target benchmark (due mainly to equity portfolios underperforming the benchmark, with the exception of the North American equity portfolio). The Investment Report on page 14 within the annual report and financial statements (available on the 'Scheme documents' page of our website) describes investment performance in detail.

What is a benchmark?

The performance of each of the main asset classes is measured against a market index. For example, the performance of UK equities is measured against the FTSE All Share. The indices are selected to ensure that the investment performance objectives are linked to the liabilities of APS. The aim is to meet this level of return and investment performance is judged against this target.

Good to know

Pensionable dependants

The following point of law was clarified: where a pensioner's pension commenced after 1 July 2008, legislation restricts the Scheme paying an Adult Survivor's pension to an adult child over age 23 unless the adult child is mentally or physically impaired. Payment outside of the legislation would be an unauthorised payment with tax implications for the dependant and the Scheme. Adult Survivor pension applications are considered on an individual basis by the Trustee. You can register a surviving dependant by logging on to 'mybapension' on our website (www.mybapension.com/aps) and submitting details online. If you can't log on you can print a paper form from the 'Forms' page of our website, complete it and send to us. Our contact details are on the back page.

Top up your State Pension before 5 April 2017

If you have checked your State Pension forecast and it is less than the full amount you can choose to top up your State Pension by between £1 and £25 per week by making a lump sum payment if you reached your State Pension Age before 6 April 2016 (if you're a man born before 6 April 1951 or a woman born before 6 April 1953). To find out more visit www.gov.uk/statepensiontopup

If you have gaps in your NI record, it may be more cost effective to make voluntary contributions before topping up. You have until **5 April 2017** to make up for any gaps in the tax year 2010/11. There are later payment deadlines for years later than 2010/11. You can sometimes pay for gaps more than 6 years ago depending on your age. Visit www.gov.uk/voluntary-national-insurance-contributions for more information. Go to the 'Videos' page of our website (www.mybapension.com/aps) to hear a Trustee Director talking about this subject.

Are you scam proof?

You may have heard in the news about a growing number of people falling foul of pension scams. To help protect yourself and your savings, here's a few useful steps to follow:

1. Be cautious of cold calls and unwanted texts or emails.
2. Never be rushed into making a decision and take the time to do your research.
3. Make sure financial advisers are registered with the Financial Conduct Authority (FCA) to check if they are approved. You can also check the FCA's list of known scams. Check all of these by going to: www.fca.org.uk
4. Avoid overseas investment deals and promises of 'guaranteed' high returns, even if they are communicated via professional looking websites and brochures. No matter how credible something appears, you should always question it!

If you have any doubts at all, contact The Pensions Advisory Service for free help and advice. You can reach them on 030 0123 1047 or visit www.pensionsadvisoryservice.org.uk

If you've already signed something you're now unsure about, call Action Fraud on 030 0123 2040 and contact us immediately on 020 8358 2100. We may be able to stop a transfer that hasn't taken place yet.

Are we reaching everyone?

Please help us keep in touch!

Are you in touch with former friends or colleagues of British Airways? Have they received their In Focus (by email or in the post) or any other pension communications from us in the last year or two? Although it's hard to believe, some of our members and pensioners don't always notice they've not heard anything from the team at BA Pensions for a while. Often they've moved and forgotten to tell us, making it difficult for us to get back in touch.

If mail we send is returned to us we use a tracing service to try to reach members or pensioners but often, all it takes is a friend or neighbour mentioning In Focus in conversation. If someone you know has not received either an email alert or copy of In Focus, please ask them to call us on 020 8538 2100.
