

APS Members' and Pensioners' meeting

We have recently received the required number of written requests to call a Members' and Pensioners' meeting. In line with these requests, the meeting will consider the following items of business:

- our decision-making process on whether to pursue an appeal to the Supreme Court in the APS discretionary increases litigation; and
- our decision in March 2018 that minutes of Trustee meetings (past or future) would not be disclosed beyond the Boards and their advisers.

We will now arrange a time and location for that meeting and will provide an update on the website once those arrangements are made, together with further information as to what will be covered at the meeting. In accordance with the Rules, this information will be provided at least 35 days before the date of the meeting.

We will continue to keep members updated on developments as soon as we are able to do so.
