

Discretionary increase litigation – settlement proposal

High Court approval hearing – further update

In our 19 September update, we confirmed that the High Court hearing regarding the proposed settlement was expected to take place over 1 to 1.5 days, between 28 October 2019 and 30 October 2019.

Following our further update on 25 October, the Court has now advised that it is likely that the hearing will start at 10:30 am on Thursday 31 October. This is not yet final and we will provide a further update as soon as we are able to do so.

If members plan to attend the hearing, please note that we are expecting that sections of the Trustee's and Representative Beneficiary's evidence will be heard by the Court in non-public sessions. This means that the Judge will ask members to leave the Courtroom during these sessions.
