

NAPS Member-Nominated Trustee Director (MND) ballot update

On 7 May 2021, we published an [invite seeking nominations from NAPS Pensioners](#) to stand for election for two MND positions on the NAPS Trustee Board.

Three candidates are standing for election in respect of the two vacancies and a ballot will therefore be held.

We have engaged an independent company, Civica Election Services (CES), to manage the ballot.

NAPS pensioner members who have registered to manage their BA pension online will receive an email from CES on Thursday 10 June 2021 providing their voting instructions. The email will be sent from [BAPensions@cesvotes.com](mailto:BApensions@cesvotes.com)

NAPS pensioner members who have not registered online will receive a voting pack by post. Due to the continuing COVID-19 situation, we have arranged for voting to take place by internet, telephone or post to ensure everyone can participate safely.
