

NEW AIRWAYS PENSION SCHEME (NAPS) (Please check you have the correct scheme pack) **TRANSFER OUT TO OVERSEAS SCHEME (ROPS) INFORMATION PACK**

Overseas transfers only (including to the Channel Islands, Ireland and Isle of Man)

Under UK law a pension benefit within a registered UK pension scheme may be transferred to a Recognised Overseas Pension Scheme (ROPS) provided certain conditions are met.

The receiving ROPS scheme must qualify as a ROPS under the Registered Pension Schemes and Overseas Pension Schemes (Miscellaneous Amendments) Regulations 2012, and can be either an Overseas Scheme or Overseas Arrangement.

An **Overseas Scheme** means an occupational pension scheme which has its main administration outside the European Economic Area (EEA) states, or a European pensions institute (i.e. a pension's institution that has its main administration in another member state other than the UK).

An **Overseas Arrangement** is a scheme or arrangement administered outside of the UK, other than an occupational pension scheme, which provides benefits on termination of employment, death or retirement and is not an appropriate personal pension scheme.

Any request to transfer benefits to an overseas arrangement on or after 9 March 2017 must meet additional criteria before it is paid to assess whether an overseas transfer charge is payable.

An **Overseas Transfer Charge** is a 25% tax charge deducted from your transfer payment. Payment may be exempt in certain circumstances. This includes where the transfer payment is made to a pension arrangement registered in the country in which you (the member) are registered for tax, or to a pension arrangement registered in a European Economic Area (EEA) country and you (the member) are registered for tax within a different EEA country.

The transfer payment will normally be made in the local currency relevant to the country in which the receiving arrangement is based.

This leaflet provides general guidance on the United Kingdom (UK) laws governing the transfer of pension rights to ROPS. It details the practice that must be applied to all such transfer requests to meet the legislative requirements of HM Revenue and Customs (HMRC) and the Department of Work and Pensions (DWP).

The Pension Schemes Act 2021 introduced two new conditions that must be met before a transfer can be paid from a defined benefit pension scheme, to another pension arrangement. The two conditions are applied in order and, if neither condition is met, any statutory right you may have to transfer is removed and your Scheme's Trustee can stop the Transfer from going ahead.

Condition 1 identifies certain pension arrangements that are deemed to be safe. These include public sector pension schemes, authorised master trusts and authorised collective money purchase schemes – but not personal pensions with an insurer. If this condition is met, the Transfer can proceed and there is no requirement to test condition 2.

Condition 2 checks for specific warning signs of a pension scam or high-risk investment that could result in you losing a significant portion of your fund value (defined as red or amber flags in the Pension Schemes Act 2021). A red flag is likely to mean that the Transfer cannot go ahead. An amber flag is likely to mean that the Transfer can only go ahead if you can demonstrate that you've received expert scams guidance from the Money and Pensions Service (MaPS), a body sponsored by the Department for Work and Pensions.

If you are thinking about a transfer, we need to check whether condition 2 applies before you can go ahead. If it does, we must check whether any red or amber flags apply to your Transfer. You can read more about the red and amber flag checks on our website on the ['Can I transfer my pension out'](#) page.

Transfer Out Request and Indemnity Forms A, B1(full transfer) or B2 (partial transfer), C, D, E, F, G

Please note that indemnity forms should be printed and then completed by both you and the receiving pension scheme as appropriate. The forms should be returned to [BA Pensions](#).

Importantly, if you are asking us to send your data to a company outside of the EEA, please read, understand and ensure that the 'Transfer to a Qualifying Recognised Overseas Pension Scheme Request Form (Form A)' is completed and returned as soon as possible. We will not correspond or send your data to a third party outside of the EEA until we receive Form A fully completed and signed.

Partial transfer option

A transfer of part or all of your earned NAPS pension and AVC benefits may be made to another registered pension scheme in the UK or to a qualifying overseas pension scheme (known as a ROPS – Recognised Overseas Pension Schemes). This pack details the process and requirement for transferring to a ROPS. Partial transfer out options are available subject to qualifying conditions, to find out more information, please read the "Can I take a partial transfer out" on the "Scheme Information" page of our website. Visit: www.mybapension.com/naps/scheme/can-i-take-a-partial-transfer-out.

Section 1 - Scheme Manager of a ROPS

Before a transfer can proceed, the following conditions need to be satisfied:

- We will require a copy of the HMRC certificate from the receiving scheme confirming that it is authorised by HMRC as a ROPS. To apply for this status (if not already obtained) the manager of the receiving scheme must make the application for registration online using the Pension Schemes Online (PSO) Service.

From 6 April 2017, all ROPS must be registered either in: the EU; a country or territory that has a double taxation agreement with the UK; a country or territory with a tax information exchange agreement with the UK; or a Guernsey scheme approved under S157(E) if the Income Tax (Guernsey) Act 1975 (closed to non-residents).

The guide to using the online service for scheme administrators tells scheme managers how to apply to register a pension scheme. External users can see the guide on gov.uk at www.gov.uk/using-the-pension-schemes-online-service.

- As part of its application, the receiving scheme must notify HMRC that it fulfils the requirements for being a ROPS. The certificate issued by HMRC or publication on the ROPS 'list' should not be seen as confirmation by HMRC that it has verified all the information supplied by the scheme in its application. If a scheme has been approved in circumstances where it should not have been approved because it did not satisfy the conditions to be a ROPS, or following changes in 2012 it no longer qualifies as a ROPS, any transfer that has been made to that scheme could potentially give rise to an unauthorised payments charge liability for the member of between 40% and 55%.
- The Manager of the receiving ROPS is also required to complete section 6 of form CA1890, which is available at www.gov.uk/transferring-your-pension/transferring-to-an-overseas-pension-scheme.
- A transfer cannot be paid unless we can verify that the ROPS approval is still effective.
- The receiving ROPS must complete, sign and return Forms C, D and E.
- The FCA-authorized adviser must complete and sign Form G. This form must also be signed by the transferring member.

After a transfer is made, the following conditions need to be satisfied:

- The manager of the receiving ROPS must notify HMRC of any payments it makes or is treated as making to a member out of funds transferred from a UK pension scheme. These reports have to be made in respect of (i) payments made within ten years of receiving the transfer of UK pension savings, or (ii) in respect of payments made to a relevant member of a ROPS if (a) the member was resident in the UK when the payment was made, or (b) has been resident in the UK in the tax year of payment or any of the preceding five tax years.

The manager of the ROPS must use the ROPS Online Service. Details of the service can be located at www.gov.uk/government/publications/using-the-ROPS-online-service.

Notification to HMRC must be made within 90 days of the day the payment is made or treated as made. The manager of the receiving ROPS must also notify HMRC of any changes in the member's circumstances that occur within five full tax years following the date of the transfer payment, which may affect the tax status of the transfer.

Section 2 – You, as the member of a UK Registered Scheme transferring to a ROPS

Before we provide information to a third party outside of the European Economic Area (EEA):

It is a requirement of the Data Protection Act 1998 that personal data is not transferred to a country outside of the EEA without your consent unless that country ensures an adequate level of protection of the rights of data subjects. It is therefore necessary to confirm your consent to release personal data before any information is given to an overseas scheme outside the EEA by completing the attached **Request Form (Form A)**.

Before we proceed with the transfer to a ROPS:

1. You are required to sign a statement (APSS263) to confirm you acknowledge that you are aware that a transfer other than a recognised transfer to a ROPS, of sums and assets held for the purposes of, or representing accrued rights under, an arrangement under a registered pension scheme,
 - (a) gives rise to a liability under section 208 (unauthorised payments charge); and
 - (b) may give rise to a liability under section 209 (unauthorised payments surcharge).

By completing form APSS263, you confirm that you understand that any benefits paid from the ROPS that are different in structure to a UK-registered pension scheme (e.g. if all of the benefit is paid as cash) may be subject to a UK tax charge. The information and the signed acknowledgement must be provided by you to the scheme within 60 days from the date you request the scheme transfer. Form APSS263 and accompanying notes are available at:

www.gov.uk/government/publications/pension-schemes-member-information-apss-263

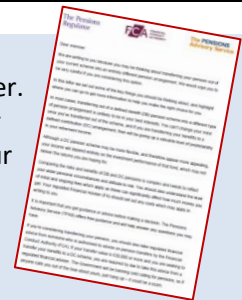

2. If the transfer to the ROPS proceeds, we will calculate whether there is sufficient LTA available to you and will advise you of the amount of LTA that the transfer overseas will use up. You should keep this information for possible future reference as you will need to declare the LTA used if you wish to take benefits from a UK registered pension scheme at a later date. If the amount of the transfer exceeds your available LTA we will calculate the LTA charges payable, deduct them from the amount being transferred and pay the charge to HMRC on your behalf. You must sign and return the Lifetime Allowance Declaration Form (Form F).
3. Based on the information you will provide to us, we will determine whether or not you will be subject to an overseas transfer charge. If you are liable for this tax charge, we will calculate the charge payable, deduct it from the amount being transferred and pay the charge to HMRC on your behalf. If the transfer payment is not subject to an overseas transfer charge at the date of payment, a charge may be payable at a later date if your circumstances change (e.g. if you change the country in which you are registered for tax purposes) within the five full tax years from the date on which the transfer payment was made.
4. If you are transferring your BA pension benefits to an Overseas Scheme (i.e. an occupational pension scheme), you are required to be in employment related to the receiving scheme. You must provide documentary evidence of your employment before we proceed with the transfer. This requirement does not apply if the receiving scheme is an Overseas Arrangement (i.e. a personal pension).
5. You must sign and return your Indemnity Form **FORM B1** (Full Transfer) or **FORM B2** (Partial Transfer), which acknowledges that:
 - the receiving scheme or arrangement may not be regulated by UK law and that as a consequence there may be no obligation under that law on the receiving scheme or arrangement or its trustee(s) or administrators to provide any particular value or benefit in return for the transfer payment;
 - you will protect the Trustee of the transferring scheme from any scheme sanction charge, overseas transfer charge or other expenses that may arise as a result of making an 'unauthorised payment' if it later transpires that the receiving scheme does not meet the conditions required to be a registered pension scheme for UK tax purposes;

- you confirm that you have received a statement from the receiving scheme or arrangement showing the benefits to be awarded for the transfer payment and any conditions on which these could be forfeited or withheld;
- you confirm that you have read the [Pension Wise guidance pack](#) and completed the appropriate form (if you have AVCs);
- you have read and understood the '[Retirement risk warnings](#)' & '[Latest guidance on pension transfers from TPAS, TPR and the FCA](#)'.
- you confirm that you have read the [Pension Wise guidance pack](#) and completed the relevant form;
- if you are transferring benefits to acquire flexible benefits under a ROPS and the transfer value representing your BA pension benefits is at least £30,000, you must obtain appropriate regulated financial advice from a Financial Conduct Authority (FCA)-authorised independent adviser. Your adviser must complete Form G, which you must also counter-sign.
- The Government has said it believes that GMPs built up by men and women should be treated equally. Following this, the Trustee of the Lloyds Banking Group pension schemes asked the Court to clarify the position for its schemes. On 26 October 2018, the Court decided that the Lloyds Banking Group pension schemes should equalise GMPs for men and women, but this ruling affects all pension schemes where GMPs have been built up.

The Court also suggested methods that could be used to achieve equal treatment of GMPs. Some of these methods would require a significant overhaul of existing systems. It could take several years to agree on a common method. We'll work out and pay the transfer value of your «Scheme» pension on the current, unadjusted basis. As soon as we're in a position to work out how equal treatment of GMPs for men and women is likely to affect your «Scheme» pension, we'll write to you if any additional payments become due. The arrangement receiving the transfer value of your «Scheme» pension will need to be able to accept an additional transfer payment (if we work out that one is due). If they will not accept a further payment, we may not be able to pay it to you. You should check this with your new pension arrangement before we complete payment of your transfer value as we cannot reverse the transfer once we have paid it.

What help, advice and guidance is available to you and other useful information

The Pension Regulator (TPR), the Financial Conduct Authority (FCA) and the Money and Pensions Service (MAPS) provide information that may assist you in considering a transfer. The FCA, TPR, and The Pensions Advisory Service (TPAS) have jointly produced this letter highlighting the key issues you should consider if you are thinking about transferring your pension out of NAPS, including where to find impartial information to help you to make the right choice. Click [here](#) or on the letter image to read it.

Please also read the '[Latest guidance on pension transfers from TPAS, TPR & the FCA](#)', prepared jointly by TPR, the FCA, and The Pensions Advisory Service. It contains important information on points you should consider before making a decision and where to go for impartial guidance.

Financial Advice

The following websites can help you find suitable FCA authorised independent financial advisers in your area:

www.findanadviser.org

www.unbiased.co.uk

www.vouchedfor.co.uk

You will need to meet the cost of the financial advice provided.

The Pension Advice Allowance (PAA)

It's important to get financial advice before making decisions about your pension so that you make the right decisions for you and your family. You can now use your APS additional voluntary contributions (AVCs) to pay for retirement financial advice. This is known as the Pension Advice Allowance.

- More information, including how to apply for the allowance, can be found on the ['Financial Advice'](#) page.
- You can use the allowance once in any tax year up to a total of three times overall. With each use, you can draw up to a maximum of £500.
- The allowance must be paid directly by APS to your financial adviser, who must be registered with the FCA - we can't pay the allowance directly to you.

For further details about the PAA, or to apply for a PAA payment to be made from your AVCs, download our online [Pension Advice Allowance \(PAA\) pack](#).

If you have AVCs, new Pension Wise guidance regulations apply

New regulations from June 2022 are intended to increase the take-up of free pensions guidance from Pension Wise and are designed to help you make informed decisions about your options when accessing your AVCs. When you apply to draw or transfer out your Scheme benefits, we are required to direct you to appropriate pensions guidance available through Pension Wise. You can choose whether to take up the Pension Wise guidance or opt out.

When you apply to draw your Scheme benefits, we must:

1. Offer to book a Pension Wise appointment for you; and
2. Provide you with details to allow you to book an appointment yourself.

Before you can access your Scheme benefits, you must complete a form to confirm that:

1. You have received Pension Wise guidance; or
2. The guidance does not apply to you (for example, because you have received regulated retirement advice within the previous 12 months); or
3. You wish to opt out of receiving Pension Wise guidance.

Please read our [Pension Wise Guidance pack](#). The pack includes details about Pension Wise and forms you must fill in (if you have AVCs) before you can access your Scheme benefits. Our Pension Wise pack and individual forms are available to download from the Forms page of our website.

The Pensions Regulator (tPR) has published some ['Retirement risk warnings'](#) associated with accessing benefits under the government's DC flexible access provisions. A copy of these is available by clicking the link above or by visiting the 'Forms' page of our website, www.mybapension.com

Pension Scams

Your pension savings are at risk of being targeted by criminals. Their methods are increasingly sophisticated and have resulted in individuals losing their pension savings and or facing severe tax consequences.

The Pensions Regulator (TPR) and the Financial Conduct Authority (FCA) have launched a joint campaign called **ScamSmart**. You should read and consider carefully the “Don’t let a scammer enjoy your retirement” leaflet enclosed with this pack before you decide to transfer.

We also recommend you read and consider carefully the following:

- Visit the FCA’s ScamSmart website at: www.fca.org.uk/scamsmart
- The FCA’s guidance about how to avoid and [protect yourself from scams](#).
- ‘[Questions](#)’ to ask the financial adviser of any increased risks associated with how to access the pension fund.
- Money Helper website contains useful information on ‘[How to avoid a pension scam](#).’
- Check the [FCA Financial Services Register](#) to check if a firm you are using or plan to do business with is authorised by the FCA. If you have any concerns regarding a firm or individual, you can check the FCA list of [Unauthorised firms and individuals](#). Please note this list is not exhaustive and if you have any concerns about a firm or individual you should contact the [FCA consumer helpline](#).

Serious ill health

If you are suffering from a life-threatening illness and have a shortened life expectancy, please complete the ‘Serious ill health’ section on the bottom of the member indemnity form so we can ensure the transfer is processed swiftly.

We strongly advise that you seek independent financial advice before deciding to transfer your pension benefits.

Don't let a scammer enjoy your retirement

Find out how pension scams work, how to avoid them and what to do if you suspect a scam.

Scammers can be articulate and financially knowledgeable, with credible websites, testimonials and materials that are hard to distinguish from the real thing. Scammers design attractive offers to persuade you to transfer your pension pot to them or to release funds from it. It is then invested in unusual and high-risk investments like overseas property, renewable energy bonds, forestry, storage units, or simply stolen outright.

Scam tactics include:

- contact out of the blue

- promises of high / guaranteed returns

- free pension reviews

- access to your pension before age 55

- pressure to act quickly

If you suspect a scam, report it

- Report to the Financial Conduct Authority (FCA) by contacting their Consumer Helpline on **0800 111 6768** or using the reporting form at www.fca.org.uk
- Report to Action Fraud on **0300 123 2040** or at www.actionfraud.police.uk
- If you're in the middle of a transfer, **contact your provider immediately** and then get in touch with MoneyHelper at: www.moneyhelper.org.uk

www.fca.org.uk/scamsmart

Four simple steps to protect yourself from pension scams

Reject unexpected offers

1

If you're contacted out of the blue about your pension, chances are it's high risk or a scam. Be wary of free pension review offers. A free offer out of the blue from a company you have not dealt with before is probably a scam. Fortunately, research shows that 95% of unexpected pension offers are rejected.*

Check who you're dealing with

2

Check the [Financial Services Register \(https://register.fca.org.uk\)](https://register.fca.org.uk) to make sure that anyone offering you advice or other financial services is FCA-authorised.

If you don't use an FCA-authorised firm, you also won't have access to the Financial Ombudsman Service or the Financial Services Compensation Scheme. So you're unlikely to get your money back if things go wrong. If the firm is on the FCA Register, you should call the Consumer Helpline on 0800 111 6768 to check the firm is permitted to give pension advice. Beware of fraudsters pretending to be from a firm authorised by the FCA, as it could be what we call a 'clone firm'. Use the contact details provided on the FCA Register, not the details they give you.

Don't be rushed or pressured

3

Take your time to make all the checks you need – even if this means turning down an 'amazing deal'. Be wary of promised returns that sound too good to be true and don't be rushed or pressured into making a decision.

Get impartial information and advice

4

[MoneyHelper \(www.moneyhelper.org.uk\)](http://www.moneyhelper.org.uk) – Provides free independent and impartial information and guidance.

Pension Wise – If you're over 50 and have a defined contribution (DC) pension, Pension Wise offers pre-booked appointments to talk through your retirement options at: www.moneyhelper.org.uk/en/pensions-and-retirement/taking-your-pension/pension-wise

Financial advisers – It's important you make the best decision for your own personal circumstances, so you should seriously consider using the services of a financial adviser. If you do opt for an adviser, be sure to use one that is regulated by the FCA and never take investment advice from the company that contacted you or an adviser they suggest, as this may be part of the scam.

Be ScamSmart with your pension. Check who you are dealing with.

- 1 I confirm that the receiving scheme qualifies to be a ROPS under the Registered Pension Schemes and Overseas Pension Schemes (Miscellaneous Amendments) Regulations 2012 and meets the following requirements:
 - i) is a pension scheme;
 - ii) is an overseas pension scheme as defined by the legislation;
 - iii) is a Qualifying Recognised Overseas Pension Scheme; and
 - iv) an undertaking (APSS240) had been re-submitted to HMRC by 13 April 2017.

If the receiving scheme fails to qualify as a ROPS, I confirm that I understand and accept the risks involved for failure to comply, that a transfer other than a recognised transfer to a ROPS of sums and assets held for the purposes of, or representing accrued rights under, an arrangement under a registered pension scheme,

 - (b) may give rise to a liability under section 209 (unauthorised payments surcharge).
- 2 I acknowledge that the receiving scheme or arrangement may not be regulated by UK law and that as a consequence there may be no obligation under that law for the receiving scheme or arrangement or its trustee(s) or administrators to provide any particular value or benefit in return for the transfer payment. I confirm that I understand that I accept the risks involved in the transfer.
- 3 I will protect the Trustee of the transferring scheme from any scheme sanction charge, overseas transfer charge or other expenses that may arise as a result of making an 'unauthorised payment' if it later transpires that the receiving scheme does not meet the conditions required to be a registered pension scheme for UK tax purposes.
- 4 I confirm I have received a statement from the receiving scheme or arrangement showing the benefits to be awarded for the transfer payment and any conditions on which these could be forfeited or withheld.
- 5 I confirm that if the transfer value is over my available Lifetime Allowance, the excess value will be subject to a lifetime allowance charge and I understand that charge will be deducted before any overseas transfer charge is deducted and before the transfer payment is made.
- 6 Read the [Pension Wise guidance pack](#) and enclose the appropriate form completed by me
- 7 If I am transferring benefits to acquire flexible benefits under a ROPS and if the value of my BA pension benefits is at least £30,000, I confirm that I have received appropriate independent financial advice from an FCA appointed adviser and attach Form G (completed by my adviser and signed by me) to confirm this.
